Spirit of the Game

Team Managers should be reminded that:

- The emphasis is on the enjoyment of competing fairly and should remind their team members that they are representing their schools/clubs and should behave accordingly.
- They are responsible for the behaviour of their team during the Games.
- No young players are going to develop and learn more about playing football by standing on the touchline every game, so ensure everybody plays an equal role.

Competitors should be reminded that:

- Winning at all costs is not encouraged and teams must play within the rules of the competition.
- No intimidation of referees or officials will be permitted and competitors should accept all decisions without argument.
- Win and lose graciously and in the correct manner.

Spectators should be reminded that:

- Foul and abusive language will be dealt with by the Tournament Committee who have the power to stop the event in progress.
- Positive encouragement goes a long way, negative encouragement hinders development and may be damaging to the young players.
